

Internship presentation

Middleware software engineer at the Intel Audio team

Mattijs Korpershoek

Master CAMSI, Université Paul Sabatier

05/11/2014

Introduction

Humans

Remember your code is for humans first and a computer second.

Table of contents

1 Introduction

- Introduction
- Table of contents

2 Context

- Celad
- Intel
- Android
- Intel Audio HAL
- Parameter-framework

3 Methodology

- Time distribution
- Technical environment
- Team integration
- Agile methodology

4 Technical contributions

- blah

5 Conclusion

- To conclude
- Questions
